

SomerStone Novona Travertine – French Pattern

Please Note: Colour variations are normal with natural stone. These images represent the variation that may be found with this product. This colour reproduction may not be the same as the actual product. Please review samples.

SomerStone Novona French pattern Travertine is a unique, antiquated design that will suit any home emulating classical European designs. The product is tumbled travertine that is honed and unfilled.

Technical specifications: AS 4586
Slip Resistance (honed):
0.40 = X – moderate (see Table 11)

Each box of 0.743m² pattern contains the following size tiles:

- 4 tiles of 200 x 200mm
- 2 tiles of 200 x 400mm
- 4 tiles of 400 x 400mm
- 2 tiles of 400 x 600mm
