SomerStone Natural QuarriedStone

Landscaping with QuarriedStone

SomerStone QuarriedStone is a soft coloured natural stone quarried locally in Australia. Exclusive to SomerStone, this unique offering is available in a smooth, 'Diamond Cut' finish suitable for achieving contemporary design or available in a more textured and rustic, 'Saw Cut' finish which is used more frequently in classic designs.

QuarriedStone 'Saw Cut' Landscape Blocks & Capping

QuarriedStone 'Diamond Cut' Random Pattern Perimeter Wall

SomerStone QuarriedStone offers true versatility for any landscape project. Available in a range of products including retaining wall systems, cladding, stone piers and wall capping, SomerStone can help achieve continuity in landscape design through use of a range of products, tying the landscape project together. SomerStone offer a range of pre-cast paving, pool coping and wall capping that also compliments the natural QuarriedStone range.

Landscaping with SomerStone QuarriedStone

SomerStone QuarriedStone offers natural and unique character and is available in a range of products including:

- QuarriedStone Landscaping Blocks
